

# We Love It Here!

By Cindy Rife

We moved south to Fairfield  
Glade,  
What a great decision we made!  
We didn't understand at the start,  
We'd love this place with all our  
heart.

There's always something fun to  
do,  
Pickle ball, golf, and tennis too.  
Two outdoor pools and two inside  
If bright sun you just can't abide.

"Are there clubs one can join," you  
ask?  
To name them all is quite a task!  
We will try to give it a shot,  
We're sure that we can list a lot.

Bridge, poker, hand & foot, even  
knee,  
You play just one or play all three.  
Coin club, chess club, wood  
turning too,  
Dance and garden, there's one for  
you!

Geocaching, photography,  
Hiking, biking, and genealogy.  
Ladies club and Rotary too,  
We know there is a place for you!

Singles too, have a special group,  
It helps keep singles in the loop.  
Book clubs in your neighborhood,  
Join a club, it will do you good.

Bible study groups abound,  
CPR classes can be found.  
Knitting, quilting, and crochet,  
Painting classes taught in a day.

Our hiking trails are oh so fine,  
They compare to the finest wine.  
Built and groomed by our  
volunteers,  
To that group, we give three  
cheers!

Mirror Lake music Mondays at 5,  
Makes you so glad to be alive!  
Farmers' market and craft fairs  
too,  
There's always something fun to  
do.

We could go on and on forever,  
But we aren't feeling all that  
clever.  
Though smart we were to move to  
the Glade,  
One of the BEST places God has  
made.
